

2025 GCE O-Level Results Release

Supporting Your Teen through the O-Levels Results Release

Dear Parents/Guardians,

The 2025 O-Level results will be released soon. While we await the results, let us also remember to celebrate their efforts, regardless of the results. We can show support for our teens by showing them through our words and actions that their grades do not define who they are.

Your support to your teen during this milestone is important. Use this opportunity to have open conversations and guide them as they consider their next steps.

Collection of GCE O-Level Results

All students are to return to their Secondary schools to collect their results. Those who are unable to collect their results in person can appoint a proxy to collect a physical copy of their results from the school. Proxies are required to produce the relevant documents for the school's verification when collecting the results.

Thank you.
